1. Education:

Ph.D., Public Policy (Public and Environmental Affairs and Political Science), April 2006
Indiana University, Bloomington, Indiana

M.Sc., Public Administration, June 1998
Obafemi Awolowo University, Ile-Ife, Nigeria

B.Sc., Politics, Philosophy & Economics, December 1992
Obafemi Awolowo University, Ile-Ife, Nigeria

AI, Machine Learning, and Data Science Licenses & Certifications

- Africana Digital Humanities (April 2023), Clark Atlanta University, sponsored by the Andrew Mellon Foundation.
- Stanford University's Institute of Computational and Mathematical Engineering: Fundamentals of Data Science, August 2022
- Stanford University's School of Medicine's AI + Health Certificate, August 2022.
- Harvard University's Data Science Edx: Linear Regression, July 2022
- Harvard University's Data Science Edx: Data Wrangling, June 2021
- Harvard University's Data Science Edx: Productivity Tools, July 2021
- Harvard University's Data Science Edx: Data Visualization, June 2021
- Harvard University's Data Science Edx: R Programming Basics, June 2021
- tTEC (Online Teaching Certificate), Clark Atlanta University, 2018

2. Administrative & Leadership Appointments

Special Assistant to the Provost for AI, Data, & Analytics, Clark Atlanta University, **August 2025 to date**

Sociology and Criminal Justice Department Chair (Interim), Clark Atlanta University, **July 2026 to date**

Graduate Education Dean (Interim), Clark Atlanta University, **June 2024 to July 2025**

3. Teaching:

Full Professor of Public Administration, Clark Atlanta University, Atlanta, Georgia, 2026 to date

Mastercard Data Science Mentor, Atlanta University Center's Data Science Initiatives, Atlanta, GA, **May 2026**

Mentored four HBCU engineering undergraduates from Spellman College and FAMU in data science. The students won a second-place cash award of **\$10,000**.

Mastercard Data Science Mentor, Atlanta University Center's Data Science Initiatives, Atlanta, GA, **September 2024 to November 2024**

Mentored four HBCU engineering undergraduates from Alabama A & M University in basic machine learning. The students won a second-place cash award of **\$7,500**.

Data Science Research Mentor to biological sciences students, Summer **2024** Data Science Education Initiative, Clark Atlanta University. Mentored an undergraduate student in biological sciences. Used R programming with the students in completing capstone projects on Food Deserts.

The student won the first-place cash award of **\$500**.

Morgan Stanley Data Science Mentor, Atlanta University Center's Data Science Initiatives, Atlanta, GA, **September 2023 to November 2023**

Mentored five CAU graduate students in basic machine learning. The students won a third-place cash award of **\$2,000** as the only non-STEM team. The students are as follows:

- Betelihem Beshir
- Wegene Tefera Bezaye
- Aja Smith
- Toi Steele
- Tex Wambui

Data Science Research Mentor to biological sciences students, Summer **2023** Data Science Education Initiative, Clark Atlanta University. Mentored undergraduate students in biological sciences in using R programming to complete capstone projects on the determinants of life expectancy across the world.

4. Teaching and Research Awards and Grants:

National Fellowships & Honors

NSF NAIRR AI Education Fellow, Computing Research Association (CRA) **2026–Present**

Selected as one of 25 faculty nationwide to advance AI education, develop equitable learning pathways, and support national AI workforce development. (Announcement: CRA, **March 18, 2026**) - <https://cra.org/crn/2026/03/cra-announces-25-faculty-selected-as-nsf-nairr-ai-education-fellows/>

Teaching Awards and Grants

Faculty Development Grant for the Development of CPAD 507: Data Science and Public Budgeting, Atlanta University Center's Data Science Initiative, Atlanta, Georgia, **May 25-29, 2026, Summer 2026, \$5,000**

Competitive faculty development award supporting the creation and implementation of Data Science, Budgeting, and Finance, a graduate course aligned with the AUC Data Science and Analytics Framework.

Faculty Development Grant for the Development of CPAD 504: Economics for Public Administrators, Atlanta University Center's Data Science Initiative, Atlanta, Georgia, **Winter 2025, \$2,500**

Competitive faculty development award supporting the creation and implementation of Economics for Public Administrators, a graduate course aligned with the AUC Data Science and Analytics Framework.

Faculty Hackton Travel Grant for the Gateways 2025 Conferences on Improving the Teaching of Data Science in Clark Atlanta University's CPAD 503: Research Methods and Data Analysis, held in Green Bay, Wisconsin, <https://hackhpc.github.io/facultyhack-gateways25>, October 28-30, 2025, **\$2,000**

Faculty Development Grant for the Development of CPAD 503: Scientific Method, Data Science and AI for Public Administrators, Atlanta University Center's Data Science Initiative, Atlanta, Georgia, May 2025-August 2025, **\$5,000**

Competitive faculty development award supporting the creation and implementation of Scientific Method, Data Science and AI for Public Administrators, a graduate course aligned with the AUC Data Science and Analytics Framework.

Data Science Training Grant for MPA Students (11 Data Science certificates), Atlanta University Center's Data Science Initiative, Atlanta, Georgia, Fall 2024, **\$5,136**

Travel Grant, Computational Genomics Summer Institute, UCLA, Los Angeles, California, July 29-August 2, 2024, \$2,000

Data Science Training Grant for MPA Students (4 Data Science certificates), Atlanta University Center's Data Science Initiative, Atlanta, Georgia, Spring 2024, **\$756**

Data Science Training Grant for MPA Students (15 Data Science certificates), Atlanta University Center's Data Science Initiative, Atlanta, Georgia, Fall 2023, **\$2,535**

2023-24 HBCU Finalist Grant award (\$500) from the American Council of Learned Societies.

Curriculum Development Workgroup grant for the development of a data science minor for undergraduate students, the National Data Science Alliance, Southeast Hub Region, United States, Fall 2023, **\$2,500**

Course Development grant for the development of Information Management Systems for the Graduate Certificate Program in Public Administration, Clark Atlanta University, 2023, **\$2,000.**

Travel Award to attend the Symposium on the Power of Data Behind Black Health at Morehouse School of Medicine on June 8-9, 2023, **\$600**.

Data Science Training Grant for MPA Students (14 Data Science certificates), Atlanta University Center's Data Science Initiative, Atlanta, Georgia, Spring 2023, **\$2,086**

Data Science Training Grant for MPA Students (25 Data Science certificates), Atlanta University Center's Data Science Initiative, Atlanta, Georgia, Fall 2022, **\$3,725**

Data Science Training Grant for MPA Students (11 Data Science certificates), Atlanta University Center's Data Science Initiative, Atlanta, Georgia, Fall 2021, **\$1,639**

Research Awards and Grants for Interdisciplinary Research Projects

Platt, T., & Oyerinde, O. K. (2024–2027). *Using AI/ML to advance health equity and ethics through multidisciplinary, community-based evaluation of social determinants of health for diverse communities* [AIM-AHEAD Project]. **\$185,000**.

Oyerinde, O. K. (2024–2025). *Polycentric governance and community development associations in non-Western societies* [Summer 2024 Small Research Grant, Atlanta University Center's Data Science Initiatives]. **\$3,000**.

Platt, T., Oyerinde, O. K., Rose, T., & Washington, J. (2024–2025). *Polycentricity and prostate cancer mitigation in College Park, Georgia* [Microsoft Mini-Grant, Atlanta University Center's Data Science Initiatives]. **\$18,000**.

“Data Science Application in Public Administration”, presented on **February 25, 2022**, at the W.E.B. Du Bois Data Science Symposium by the Atlanta University Center Data Science Initiative, Atlanta, Georgia.

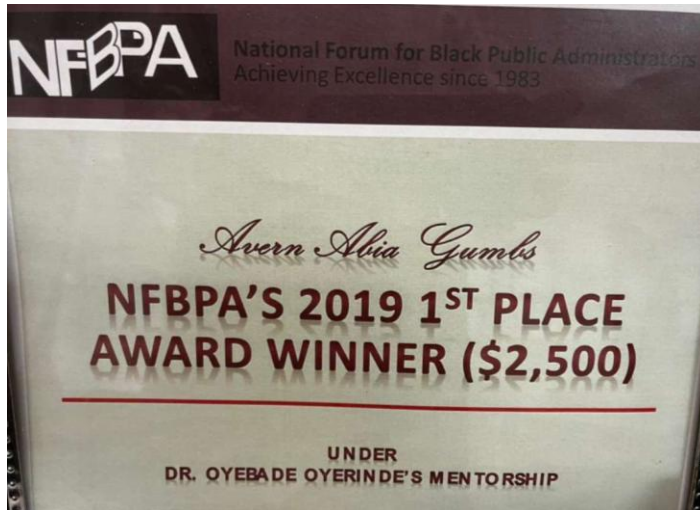

Supervised Student Research for Conference Presentation:

- a. Briah D. Arms (**Biology PhD student**), **Computational Genomics Training**, Computational Genomics Summer Institute, UCLA, Los Angeles, California, **July 2025**
- b. Sunday Ochigbo, Thabo Traore, Tatenda Joseph, and Solomon Agyire (engineering students from Alabama A & M University and second-place cash awardees in the 2024 **Mastercard Data Science Competition**), presented on November 16, 2024, sponsored by Mastercard and the Atlanta University Center’s Data Science Initiatives.
- c. Nia Martins (**Biology undergraduate student**), First-Place Cash Award Winner (**June-July 2024** and **Fall 2024-Spring 2025**), completed a capstone project on “Urban Deprivation:

Examining the Influence of Socioeconomic and Demographic Factors on Food Deserts” during the Summer **2024, Fall 2024, and Spring 2025** Data Science Education Initiative, Clark Atlanta University.

- d. Betelihem Beshir, Wegene Tefera Bezaye, Tex Wambui, Aja M. Smith, & Toi Steele, presented “Emerging Financial Firm Analysis” at the **2023** Morgan Stanley **Data Science Competition, November 30, 2023**, sponsored by Morgan Stanley and the Atlanta University Center’s Data Science Initiatives.
- e. Betelihem Beshir (September 2023 MPA Student) presented on “Renewable Energy and Greenhouse” on **September 22, 2023**, @ the 2023 Atlanta University Center’s **Student Data Science** Symposium, Atlanta, Georgia.
- f. Wegene Tefera Bezaye (September 2023 MPA student) presented on “Public Debt and Richest Poorest Ratio in the Regions World” on **September 22, 2023**, @ the 2023 Atlanta University Center’s Student **Data Science** Symposium, Atlanta, Georgia.
- g. Nia Janelle Brooks (September 2023 MPA student) presented on “How race and region influence poverty” on **September 22, 2023**, @ the 2023 Atlanta University Center’s **Student Data Science** Symposium, Atlanta, Georgia.
- h. Aja M. Smith (September 2023 MPA student) presented on “Number of Production Jobs across U.S. Regions” on **September 22, 2023**, @ the 2023 Atlanta University Center’s Student **Data Science** Symposium, Atlanta, Georgia.
- i. Tex Wambui (September 2023 MPA student) presented on “US County Economic Data” on **September 22, 2023**, @ the 2023 Atlanta University Center’s Student **Data Science** Symposium, Atlanta, Georgia.
- j. Kirstin Crook (September 2022 MPA Student) presented on “Chicago Police Department Supervisors by Race and Sex” on **September 23, 2022**, @ the 2022 Atlanta University Center’s **Student Data Science** Symposium, Atlanta, Georgia.
- k. Stephanie Holloman-Curtis (September 2022 MPA student) presented on “Visualization of Crime Rate in Boston” on **September 23, 2022**, @ the 2022 Atlanta University Center’s Student **Data Science** Symposium, Atlanta, Georgia.
- l. Avern Abia Gumbs (May 2019 MPA Student) presented on “Leadership, Cooperation, and Organizational Success” at the NFBPA FORUM of **April 3-7, 2019** at Hilton Orlando Lake Buena Vista Hotel

Avern Abia Gumbs won the 1st place award of \$2,500 at the 2019 NFBPA FORUM

- m. Jayme Beasley (May 2018 MPA Class) presented on “Health and Poverty: The case of African Americans in Metro Atlanta” at the American Society for Public Administration - Georgia Chapter’s 19th Annual Academic Conference at Clark Atlanta University, **February 24, 2017**. Ms. Beasley now holds a **PhD in Political Science from CAU**.

Invited Leadership & Moderation

Moderator, "Insights from Successful NAIRR Projects" Fireside Chat

Workshop on Writing Competitive Proposals Leveraging AWS Technologies (Virtual)

July 21, 2026

- Invited by Dr. Talitha Washington (Howard University) to moderate a national fireside chat on successful NAIRR Pilot projects.
- Facilitated discussion on preparing competitive NAIRR requests, lessons learned, and strategies for leveraging advanced AI cyberinfrastructure.
- Workshop supported by AWS and the National Science Foundation (Award No. 2515701), *serving approximately 350 faculty, researchers, and staff from HBCUs, community colleges, and other institutions nationwide.*

Panel Moderator of the Session Titled “Polycentric Federalism and World Order”, **June 20, 2024**, at the Workshops on the Ostrom Workshop 7 Conference, Indiana University at Bloomington, Indiana.

Panel Moderator of the Session Titled "Frontiers in Citizen Relations" at the **2023** Annual Virtual Conference of the American Society for Public Administration on **March 20, 2023**. Page 61 @ <https://aspanet.org/common/Uploaded%20files/aspadocs/annual%20conference/2023/2023ProgramBook.pdf>

Panel Moderator of “Diversity, Equity, and Inclusion - Social Justice”, Georgia ASPA Chapter Conference, **March 31, 2022**

Invited National Panel

Panelist, "Designing AI Learning Experiences Across Disciplines"

NAIRR Accelerator Cohort 3 Faculty Panel

July 28, 2026

- Invited panelist discussing evidence-based integration of AI into higher education.
- Addressed responsible AI, ethics, AI-enhanced pedagogy, Jetstream2, CloudBank Hub, and instructional use of NAIRR resources.
- Shared best practices for incorporating AI into graduate and undergraduate curricula across disciplines.

Invited Webinar

Presenter, "Requesting NAIRR Allocations"

NAIRR AI Education RCN Webinar Series

June 30, 2026

- Invited presenter for the inaugural NSF NAIRR AI Education Research Coordination Network webinar.
- Demonstrated the process of requesting NAIRR Pilot allocations for teaching and research.
- Shared instructional applications of Jetstream2 and CloudBank Hub for AI-enabled courses.
- Webinar designed for faculty nationwide seeking to integrate NAIRR resources into undergraduate and graduate education.
